Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant and examiner discussed proposed amendments to claim 1 reflecting the substance of the personal interview conducted 06/07/2007. Examiner indicated the proposed amendments appeared to obviate the rejection of the claim under Choy in view of DeMarco. Examiner indicated that the proposed amendments however appeared as though they would necessitate a rejection under Choy in view of Gross (WO 2004/010858 A2, submitted in IDS filed 03/23/2005 cited AK) and that upon the filing of a request for continued examination it would be in Applicant's best interest to address the admitted prior art in the amended claims .
